Novartis Fellowship Award 2020:

The Haematology Association of Ireland are delighted to announce that Novartis have kindly sponsored an Educational Fellowship. The award is intended as seed funding for non-tenured scientists including postdoctoral research fellows, early career scientists, clinical scientists to develop an area of basic or clinical research in a haematology related field in the island of Ireland. The award is open to both academic and hospital employees. All applicants must have a contract of employment for the period of the award. The amount of the Award is €10,000.00

The award is not suitable for post-graduate students studying for a Ph.D or M.D. If you are currently not a member, you can become a member by registering online: www.haematologyireland.ie (any questions, just contact sinead on: sinead@sineadcassidy.com).

Congratulations to our 2019 Award Winner – Luke Jones for his research proposal on investigating the effects of PRC2 loss on genome architecture, and the influence this has on TAD formation and subsequent de-repression of potential oncogenes.”

DEADLINE FOR NOVARTIS FELLOWSHIP AWARD APPLICATIONS: 30 December 2020 – [Click here to download criteria](#)

Spring Research Educational Day – Friday 26th February 2021

Due to the current Covid crisis it has been decided to postpone our Spring Educational Study Day on 26th February. We are working towards our AGM which we hope to be in a position to host in September/October.

In the meanwhile, stay safe and should you have any questions, please contact Sinead directly on: sinead@sineadcassidy.com or 086 832 7943.
